

RFP #78-0185 Wordpress Website Hosting

Addendum 1 Questions and Answers

RFP #78-0185 is hereby amended to incorporate the following questions, answers, and clarifications:

Q1: Can companies from Outside USA can apply for this?

A1: Yes.

Q2: Would we need to come over there for meetings?

A2: No, but the firm should be able to meet the timetables and availability requirements set forth in the RFP.

Q3: Can we perform the tasks (related to RFP) outside USA?

A3: Yes.

Q4: Can we submit the proposals via email?

A4: Yes. The RFP specifically asks for email submittal: Your completed proposal is due (via e-mail) by **February 16th, 2018, 5:00 p.m. PT**, to: purchasing@uchastings.edu

Q5: I read you were looking for a host to provide you with not only the infrastructure but also migration assistance from Cascade to WordPress. Since you're working with Modern Tribe, I would assume they were performing those conversions for you. While we'd be happy to host & manage your WP sites, we wouldn't be able to port any non-WP apps additionally as we host & engage with WP sites exclusively on our platform.

A5: We don't anticipate asking the provider to manage/host non WordPress apps. We may migrate our existing WordPress sites to this platform as we consolidate our web presence.
